## ***PRODUCT DATA SHEET***

---

**Item Number** : PLPE270  
**Item Name** : PIG<sup>®</sup> FIRE-DRI  
**Absorbs** : Oil, Water, Coolants and Solvents  
**Content / Packaging** : Woodfibre / Bag  
**Color Product** : Green

**Composition Material** : PEFC-certified resin wood dust  
**Dimension Bag** : 60 cm L x 36 cm W x 15 cm  
**Absorbency per Packaging**: 15 L / Bag

**Weight per Packaging** : 6 Kg  
**Packaging / Pallet** : 70

### **Description**

PIG<sup>®</sup> FIRE-DRI is a granular organic product, suitable for a wide range of industrial applications. It is a vegetable absorbent of very high quality, ecological and with low environmental impact.

### **Application**

With its fireproof property, it can be used for liquids and applications where the use of fire resistant products is desired! Non-abrasive, light-weight material is ideal for Petrol stations, garages, airports, service companies, cleaning companies, railway stations, transport companies, emergency equipment, firemen, army, etc.

### **Features / Benefits**

- ❑ PIG<sup>®</sup> FIRE-DRI is a vegetable absorbent made up of resin wood dust, dried at high temperatures and undergone a process that enables it to develop a fireproof behaviour
- ❑ After absorbing liquid spills, it leaves clean, dry and safe surfaces, free from oily sheen
- ❑ This fire-retardant material is capable of absorbing more than 3 Kg of oil per 1 kg of product
- ❑ This natural, renewable resource absorbent has a low environmental impact since it can be eliminated by incineration
- ❑ Woodfibre is PEFC-certified, which shows commitment to forest sustainable development
- ❑ Non-toxic material contains no silica and is safe to handle and use
- ❑ Non-abrasive, light-weight material is ideal for Petrol stations, garages, airports, service companies, cleaning companies, railway stations, transport companies, emergency equipment, firemen, army, etc.
