PRODUCT DATA SHEET

Item Number : P45-1
Item Name : PIG[®] Crysta-lite Absorbent
Absorbs : Water, oils, organic solvents, and most acids
Content / Packaging : 1 Bag
Color Product : White

Composition Material : Silicon, Aluminium, Iron, Sodium, Potassium, Calcium, Magnesium & Others

Absorbency per Packaging: 18 L / Bag

Weight per Packaging : 3,5 Kg
Packaging / Pallet : 70

Description

An economical, light weight, non combustible loose absorbent for spillages of water, oils, organic solvents, and most acids. PIG[®] Crysta-lite Absorbent will absorb many times its own weight.

Application

Use to absorb all types of liquid spills fast.

Features / Benefits

- Can be used as an absorbent media in enclosed containers for the disposal of liquid toxic waste substances
- Remains granular, even when saturated, to provide excellent retention; stands up to heavy traffic without releasing liquids
- The material quarried, crushed, processed and screened to create a particle size of 3.0mm to 6.0mm
- The "expansion" of the product generates countless tiny air bubbles within the structure creating the ultra light weight of PIG[®] Crysta-lite Absorbent
- The high surface area and excellent, fast absorption properties give PIG[®] Crysta-lite Absorbent the ability to create a low-slip surface
- Chemically inert product is ideal for the absorption and removal of chemical spills, oil and water spillages on floors, nuclear waste, hazardous chemicals and more
- Non-toxic mineral product is safe to handle and use without any risk
