Absorbency	: 302,8 L/Kit
Weight	: 59 Kg
Description	● Block and absorb water from faulty boilers, blown valves, backed up sinks/toilets and other plumbing failures to prevent spreading and minimise water damage ● Large, high capacity kit is ideal for protecting facilities with multiple sources of potential water issues; store in a centrally located supply cabinet or mechanical area and roll to the scene ● Hi-viz mobile cart features 20 cm wheels in back and 3,8 cm swivel wheels in front for easy maneuvering. Narrow enough to fit through most aisles and doorways ● Front access doors and flip-top lid provide easy access to all kit contents for faster response ● PIG Water Mats, Socks, Pillows and Wipes absorb up to 303 litres; PIG Water-Activated Flood Barriers swell on contact to block doorways, protect sensitive equipment or channel towards drains; Waterproof Patch & Seal tape can make quick repairs to holes, cracks, gaps and tears, even under water ● Cleaner, more efficient method than dirty mops, rags and towels, which can recontaminate
Warnings & Restrictions	: Not recommended for acids, caustics or other aggressive liquids.
Recycled Content	: 60% Pre-Consumer Recycled Cellulose
